

ANATHI JUTA

Akasia, South Africa 0182
+27605333783 - anathijuta730@gmail.com

Summary

Passionate and creative full-stack web developer in training, currently completing my final year of a Diploma in IT. Skilled in building dynamic, user-friendly web applications using modern technologies like React, Node.js, and MongoDB. I thrive on solving problems, learning new frameworks, and bringing ideas to life through code. Looking for an internship opportunity to gain hands-on experience, collaborate with a team, and contribute to real-world projects
